

LAST RITES FOR R. J. SCHLACKS IN CHICAGO

The death of Robert J. Schlacks of Mokena, which occurred in Mexico City, Mexico, April 2, came as a surprise to his many friends.

He and his wife left three weeks ago for several months motor trip. Following a most pleasant evening in their hotel room in Mexico City, after a day of traveling, he passed away quietly in his sleep. Aid of the hotel physician was immediately given but was to no avail.

Born in Chicago, February 26, 1882, the son of Henry J. and Christina Schlacks, he did not enjoy good health. When he was four years old an older sister and brother took him to Denver, Colo., for his health. He attended a private school because of ill health, and in his youth he attended the Virginia Military Institute for a short time.

His father was superintendent of the motor power of the Illinois Central in Chicago when Robert became interested in the selling business. He sold for the Standard Steel Car Co., The Baldwin Locomotive Works and The Standard Stoker Co. Later his parents and the family also moved to Denver where he entered business when his father became connected with the Rio Grand and Western railroad.

On April 30, 1926, he was united in marriage with Miss Elfrida Kranz of Chicago. They lived in New York for six years and moved back to Chicago. In 1939 they moved to Mokena where they purchased a home. For a few years Mr. Schlacks conducted a business on Front street where he sold heating equipment.

About a year ago he underwent serious surgery. He has always been a great sufferer with asthma. It was in search of a better climate more beneficial to his health that the motor trip was undertaken, to which he looked forward with great anticipation.

Besides his wife he is survived by two sisters, Mrs. Louise Giese of Hamden, Conn., and Mrs. Gertrude Dostal of Berkeley, Calif. Five older brothers and three older sisters preceded him in death.

Funeral services were conducted in a Chicago chapel Tuesday morning with interment in St. Boniface's cemetery.

Involved in Crash On Rt. 45 near 30

In an accident which occurred Sunday morning on route 45 south of route 30, Daniel Arenburg, 4445 N. Whipple street, Chicago, and Miss Providence Camella, 19, 2742 Seminary street, Chicago, were going south on 45, when the car he was driving went off the road and then skidded into the path of a car driven north by Bertha M. Brown, 54, of 1056 S. Lincoln street, Kankakee, according to Officer Donald Spivey, of the state police.

Miss Camella was removed to St. Joseph's hospital by a Gerald Dames and Son ambulance, where her condition is reported as fair. Both cars had to be towed to a public garage.

Arenburg, who was on the way to Champaign to visit a brother who was injured recently in an automobile accident, was ordered to appear Saturday at 4 p.m. before Judge J. C. Knight, of Frankfort, to answer charges of failure to have his vehicle under control and causing an accident.

Hope Re-born

THIS YEAR, April 13 is Easter Sunday. Whether beneath the vault of a sunrise sky or that of a church, religious services will devoutly observe the Resurrection of Christ from the dead, and re-birth of hope in the hearts of men.

THERE will be, too, (for this land is free), those traditional Saxon rites for Ostara or Easte, legendary goddess of Spring: the eggs and the rabbits which denoted life's reproduction, the first flowers of reburgeoning Earth, projected today into new finery and hats.

IN THESE bright tokens, however, the deep and holy significance of Easter should not be lost. Neither should we forget, in marking the Resurrection, that there is something our country and all who cherish it stand today greatly in need of—a spiritual re-birth, a national regeneration of morals and men.

A Golden Wedding

Fifty years of life together were observed Sunday, April 6, with a golden wedding reception in honor of Mr. and Mrs. Ross Atwood of Palos Heights, given by their daughter and son-in-law, Mr. and Mrs. Lewis Loebe of New Lenox.

The reception was held from 2 to 5 in the parlors of the New Lenox Methodist church. Fifty-five guests were present to honor the couple. The attendance of their maid of honor and best man, Dr. and Mrs. Wm. Hartman of Macomb, added much to the occasion.

The decorations were in keeping with the theme of the golden year with a three-tiered cake under an arch of gold on the serving table.

In the center of the hall hung a huge white wedding bell with streamers of satin ribbon. Another decoration was a golden tree with gifts from many friends hanging from the branches. Long stemmed American Beauty roses, a gift from Dr. and Mrs. Hartman, added to the color of the scene.

Mr. and Mrs. Atwood and Dr. and Mrs. Hartman were seated at the head table which was decorated with gold candelabra and a floral centerpiece.

Each guest received a golden bell with the inscription "The Atwoods-50 years" as a memento of the occasion.

Mrs. Elmer Goldenstern poured from the silver coffee service. Miss Mary Jane Gougar served the cake after the first cut had been made by Mr. and Mrs. Atwood.

Rev. Ralph Miller and Lewis Loebe sang selections appropriate to such an occasion.

Mrs. Atwood was smartly gowned in a teal blue taffeta suit with a gold hat and bag. She wore an orchid corsage, a gift from Mr. and Mrs. Loebe. Mr. Atwood wore a gold carnation boutonniere.

Guests from New Lenox were: Mr. and Mrs. Elmer Goldenstern, Mr. and Mrs. John Peterson, Mr. and Mrs. Norm Grund, Mr. and Mrs. Walter Bernard, Mr. and Mrs. William Penn, Mrs. L. Tovrov, Mr. and Mrs. John Oster, Rev. and Mrs. Ralph Miller, Mrs. Clarence Greenman, Mr. and Mrs. George Schlatterer.

**WEIGHT
WHERE IT COUNTS
for BETTER DISKING
in TOUGH CONDITIONS**

**The JOHN DEERE
Model "KB"
DISK HARROW**

Hard-baked stubble, stubborn stalks, and heavy trash meet their master when you enter the field with a John Deere "KB" Heavy-Duty Disk Harrow. The husky Model "KB" makes short work of the toughest disking jobs because proper weight distribution of the heavy-duty frame holds the gangs to their work and assures good, uniform penetration.

Ample clearance prevents clogging even in trashy conditions. Frame connections provide flexibility for even penetration over the full width of the harrow—on turns or on the straightaway. Heat-treated disk blades hold their keen cutting edge longer. Gangs run on extremely hard, friction-reducing bearings. Ask us about a Model "KB"—there's a size to fit your farm.

Under The Cross Of Malta

The Wm. Martin Post 725 V. F. W., Mokena, was honored by the visit of the 5th district Commander, Emil Schultz, and the 5th district Judge Advocate, Comrade Hoagland, at the meeting of March 27.

Commander Schultz inspected the books thoroughly and stated that the post had done well in 1951, and that it is on a good, sound basis. Judge Advocate Hoagland also inspected the books, and encouraged the mem-

bers of the possibilities in 1952. With the encouragement of these two men, and the well attended meeting, it looks like Mokena and the VFW No. 725, will have something when our fighting men come home.

To The Voters of School District 159:

We as members of the School Board of this district, have served as directors for a good many years, and we believe in all sincerity that we have done a good job.

At times, especially during the depression when money was scarce, and a new school was necessary, we fought hard to save our school and were happy when it was at last paid. But we are glad we could give to our community and school, of our time and thought so that our children could have the benefit of a good education.

We do therefore, on our record, solicit your vote at the coming school election this Saturday, for us and for the following men who have willingly consented to run with us: Gordon Bruce, Clyde Yunker, Hans Mueller and Thomas Powers.

If you think we have done a good job in the past, we will be glad to give again of our experience and good judgment, with the valued aid of the above mentioned men, to the betterment of the educating of our children.

Sincerely yours,

ELMER L. COOPER, LAWRENCE KOHL,
JOHN SCARTH
